Instructions to Suppliers

Two kinds of quotations need to be submitted, one **technical quotation** consisting of all technical details along with commercial terms and conditions, and one **financial quotation** containing item wise price for the items mentioned in the technical quotation. Both the quotations should be sealed by the supplier in separate covers duly super scribed and both these sealed covers are to be put in a bigger cover which should also be sealed and super scribed. The supplier shall bear all costs associated with the preparation and submission of its quotation including samples, literature etc.

Conditions of the Contract

Quantity, make, model and technical specifications should be mentioned clearly. It may be stated if the rates are inclusive of taxes applicable and charges for onsite installation. Validity period of quotation should be atleast 180 days from the due date. Any alteration/overwriting should be initialized. The bidders have to provide the following information with their technical quote:

- manufacturer authorization form.
- details of support and service centres.
- warranty compliance statement.
- complete user list with name, address and telephone number.
